

Fruits et légumes
qui poussent en
Belgique*

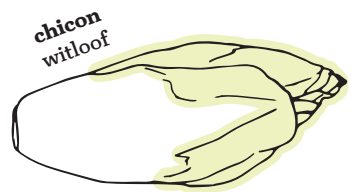

AVRIL APRIL

Groenten en Fruit
die in België
geteeld worden*

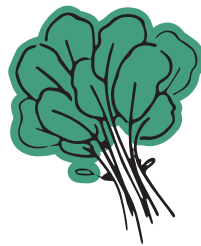

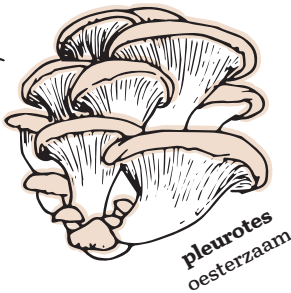

by färm

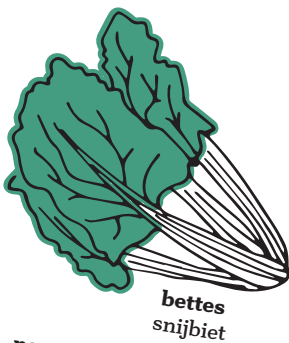

resson
tuikers

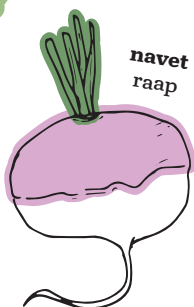

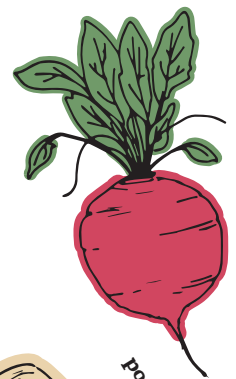

celeri vert
groene selderij

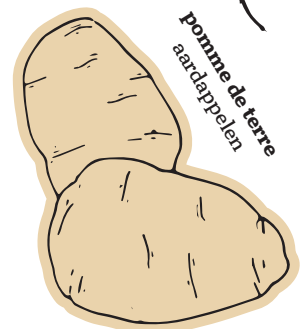

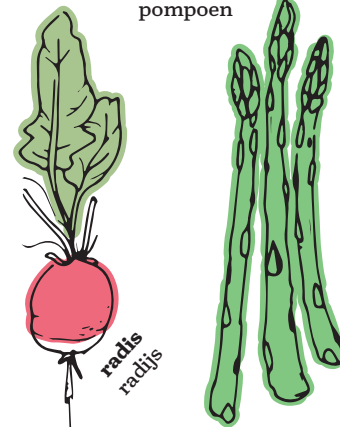

betterave rouge
rode biet

citrouille
pompoen

cerfeuil
kervel

*il s'agit de la théorie... mais vu que la météo belge est parfois capricieuse, la liste peut varier selon les récoltes!

*dit is de theorie.... maar aangezien het Belgische weer soms grillig is, kan de lijst variëren naargelang de gewassen!
